

Certificate of Authorization

awarded
to

„ Switchgreen Energy Limited “

Adress: Km 5 (Inside Lucky Oil premises), Enugu-Portharcourt Expressway,
Amechi Uwani,
Enugu, Nigeria
Reg No is RC: 1644057

A/S Logstrup Steel certifies that the above-named organisation,
is a Logstrup Partner in Nigeria.

We offer our full support to Switchgreen Energy Limited for design, calculations and technical support for their projects, and they have been licensed to assemble Logstrup distribution switchboards and MCC's following Logstrup's design and instructions.

By using the original Logstrup Modular enclosure and busbar components and the procedures for workshop assembly specified by Logstrup, „ Switchgreen Energy Limited “ is fully qualified to design and manufacture low voltage distribution boards and MCC's, which are in accordance with IEC61439-1/2 and Logstrup standards as well as the numerous type tests carried out Logstrup.

„ Switchgreen Energy Limited “ is officially licensed to sell Logstrup products in Nigeria.
